

## That Time Again!

Once again it's time to give you all the Echoe news of the past month...We've been having great services in our travels and looking forward to a month in Kansas! If you haven't been out to hear us lately, our program is changing as we are getting ready to hit the studio running the first of September. Yes, I know you've heard it all before, but REALLY, we are going in the first of September. We have visited with Steve Falke, at Cornerstone Studios and he is preparing for us to come record the "Genesis" project.

## God Promises

Each month I will have one of God's promises so that you can begin to memorize them and put them to use in your lives.

### *ALL PRESENT THINGS NEW*

If any man be in Christ, HE IS A NEW CREATURE: old things are passed away; behold, ALL THINGS ARE BECOME NEW, and all things are of God who hath reconciled us unto himself by Jesus Christ #2 Cor 5:17

## We Need A Miracle!

As I mentioned, we are preparing to go into the studio. This project will cost in the neighborhood of \$3,500.00-\$4,000.

We have \$200 that has been donated so far, so we have a ways to go. We have around 300 folks on our email list, and we are calling on you to help us out. If everyone that receives this newsletter would prayerfully consider helping us achieve this goal it would be fantastic. Some are more fortunate than others may be able to help us with \$100 or more. Others may only be able to help with \$15-20. But if most could help with \$35 it would make the miracle of this project happen. We are hoping to have the funds by the first week of September so we can get it paid for and have the new CDs by the first week of November, and all those who support us in this will have a CD in December. All those that help will receive a copy of the Genesis project.

## Kris, The Gospel Leprechan

I had a chance to visit the Prairie Rose Dinner Theater. There we had a fine BBQ meal and some great entertainment. Part of that entertainment included our old buddy Kris Johnson. He was quite a site! He and the Prairie Rose Rangers did a great job with the western tunes, and a few gospel tunes... Linda (my wife) and I got to go up, get embarrassed a little, and sing a chorus with them..it was great fun! If you're in the area, you'll want visit there yourself.

## Reunion Plus!

A couple of weeks ago we were in Weston, Mo. and former Echoes, Jeff Lane and Trey Drowns showed up. Jeff brought a friend, Dan Roberts (tenor) and another friend of ours David Carter (baritone/lead) also showed up with his wife Crystal (future stand-up comedian...she has a lot of short jokes...she's about 4 feet tall..but funny.).

Jeff and Trey joined us in a round of "Satisfied", then we backed up David when he sang "I Believe In A Hill Called Mt. Calvary" and finally Dan joined us in "Going Home".

"Oh What A Time" we had singing together...fun, fun, fun....o)
