

Happy Valentine's Day!!

Love is in the air as Valentine's Day approaches...May you bless the ones you love the most! More importantly, remember the One who loves us all more than we can think or imagine! Unconditional love for us all...PTL!

January sure went by fast...many things to report to you, so hang on to your hat!

On FIRE For God!

You haven't heard much about the bus lately, and that's the good news. Last weekend was one of those weekends that we were wondering if we were supposed to go out. Dale's Mother, Helen, went to

be with the Lord late Friday night, but too late to cancel the weekend. Plus Helen would have wanted us to go. My aunt passed on Thursday night and I needed to be at the funeral Saturday morning. That weekend we were going to McCook, Nebraska, so we really needed to leave as early as possible. After the funeral, I rushed to Cracker Barrel to catch up with the bus, but it wasn't there. Mark had a flat on the way to the bus, so he hadn't made it to the bus barn yet. Eventually we managed to get on the road.

We got to McCook in time to set up and do a quick sound check, change and sing. We had a good service, with several coming forward to stand in the gap for friends and loved ones. Then we loaded up, and went back on the road. We stayed at the Pheasant Inn at Hill City, which was close to Palco, KS where we were going Sunday a.m. We got in there around midnight. *(continued pg 2)*

We Can See The Light At The End Of The Tunnel!

Recording Funds Goal - \$4,000

Well, we're into the first week of February and our part of the recording is complete. Now we are praying for Steve Falke. He is the one that is going through everything we've done and making this the very best Calvary Echoes CD ever! We are hoping to be sending out CDs within the next couple of weeks...Thanks again to all who are assisting us in reaching our goal! I am thinking of listing our supporters on the CD insert, so if you haven't donated or pre-purchased the CD, do it right away! CDs will be mailed out **when the project is completed. So please don't delay!**

If everyone who receives this newsletter would prayerfully consider helping us achieve this goal, it would be fantastic. Some are more fortunate than others and may be able to help us with \$100 or more. Others may only be able to help with \$15-20. But all gifts large and small will make the miracle of this project happen. **Contributions may be mailed to: The Calvary Echoes / P.O. Box 781986 / Wichita, KS 67278**

Dale's Mother Goes Home

Friday night, January 30th, one year and a week after Roy, Helen went home to be with the Lord. Helen was one of our greatest fans and supporters. She will be sorely missed. We grieve at the loss, but rejoice in confidence of where she is. Dale's parents helped the Echoes in many ways over the years, including purchasing the current sound equipment we use. Great servants of God now enjoying their rewards.

(On Fire For God...cont. from pg. 1)

There was only one shower there, so we had to get up early to get everyone showered. Darris and Iada had breakfast ready for us and we slammed it down and hit the road again. We had a little trouble finding the church, and I think we were about 1 mile from there when the bus began to fill up with smoke! An air line had split and the brakes heated up causing a fire in the back under the bus...we pulled into the church on fire! Our extinguisher was out, but luckily the church had a couple and we got the fire out. Kind of smelled up the church a little...:o) Had another Great service, with several coming forward for prayer, which made it all worth it.

There was a young man at the church who has some knowledge about trucks and said he would look it over and see if he could see what was wrong.

The Pastor sent us home in his van with another gentleman from his church. Six of us in a mini-van, for about 5 1/2 hours...whew! As we were pulling in to Wichita (just in time for the Super Bowl) we got a call that the bus was fixed in case someone wanted to ride back and get it. Uh...no. Dale had to get to Oklahoma to be with the family and no way we were going to get back in that mini-van for another 5 1/2 hours, then drive the bus back another 5 1/2 hours. Dale picked it up on Wednesday with the help of Mark's dad, Billy. Thank you Billy. Now we're all set to go and do it again!
