

## TIME IS REALLY FLYING BY...

It's hard for me to believe how time has flown by...I mean it's already the end of January! I apologize for not getting these newsletters out a little faster. We had quite a time in 2007, but we're looking for "Something Great In 2008!" We are more determined than ever to bring good gospel music to you and your churches. I don't have exact numbers right now, but we were in around 135 churches last year. That's pretty busy for a part-time group. We were able to plant some seeds for the Lord, and win some souls to Christ.

In 2008 we are hoping to:

- A) See more souls come to the Lord in our services by having a better altar time.
- B) Finish our recording project. We are very close!
- C) Have better communication with Pastors and Churches. There should be no questions left unanswered by the time we get to your church. We are hoping to make things easier for you to get people to our services.
- D) Partner with 300 or more people for a monthly tax-deductible donation to the Calvary Echoes. This will help us go to more places that may not feel they can bring us in because of finances. Sometimes pastors and churches feel they just can't afford to bring us, even though we come on a love offering. They are afraid the offering might not cover expenses...that does happen frequently. Still we go, because the Lord has called us to sing, but having partners in the ministry helps to alleviate some of the pressure of paying our bills. We would rather focus on bringing souls to Christ. This also brings blessing and opportunity to the partners as they are helping to bring people to the Lord.

*Hope we can count on you...if everyone gives a little, it will help us a lot in spreading the Good News!*

## Roy McBride Joins the Lord...

Roy McBride passed away on Wednesday, January 23, 2008. Roy was 88 years old. He was a pastor for 60 years. A great leader and Father. Our prayers go out to Dale and his family. We rejoice that Roy is now dancing and singing in the Kingdom of Heaven with the Lord most High!

## Special Thank You...

It was by the grace of God and His leading that two special people really helped the Echoes through December. I won't mention their names, because I know they wouldn't want me to, but had it not been for those two blessing us we might not have been able to make the bus payment, some repairs on the bus and pay down our gas credit cards a little so we could keep going in December. We had to miss several December services because of bad weather and of course Christmas, so we were down quite a bit in our finances. A special thanks to those two for blessing us and keeping the ministry going.

## PARTNERING WITH THE CALVARY ECHOES

Who will come to know the Lord because of you? Who will you help to hear the message of the Lord through music?

The Calvary Echoes are offering you, our friends and family, an opportunity to minister to hundreds of people in 2008, and you don't even have to leave your home to do it! We are looking for 300 or more to donate \$20, \$50, \$100 per month to our ministry. These monies go to fuel, food, recordings, promos, ads, insurance, the bus and all the things it takes to make a ministry work. This gift is tax-deductible and we believe God will return your investment greatly, either in your finances or in the Kingdom to come. If Everyone Can Give A Little, It Will Help A lot! I know you've heard the saying..."You Can't Out Give The Lord" We are counting on you to help us do what God has called us to do...

## STEP OUT OF THE BOAT..

The other day in my prayer time, I was praying about some things that require some major faith on my part. The Lord gave me these five words... "Step out of the boat." It brought to mind when Peter asked the Lord to let him come to Him on the water. Peter stepped out of the boat, and because of his faith, he was able to walk to Jesus. Then Peter took his eyes off Jesus and began to notice the storm and the waves and began to sink. It is time for us to "Step out of the boat" and begin to move forward in faith. There is nothing beyond our grasp if we trust in the Lord. He is our Heavenly Father and wants the very best for us. Join the Echoes as we "Step out of the boat" for something Great in 2008!
