## Greetings Echoe Friends!

Once again you find me trying to catch up on my newsletter work. We've been very busy and excited about our theme, "Something Great in 2008!". We are "Stepping out of the boat" as it were, with a positive outlook on this year and what the Lord is going to do, and has already done, with the Echoes! Our services have improved, we have added a baritone, Andrew Wells (more about Andrew in our next newsletter), learning new music, we have taken new photos of the group, but more important, we are seeing people coming forward, dedicating and rededicating their lives to the Lord...We are seeing people laugh, cry and worship, as God moves in our services...what great results and expectations as we move forward in our 26th year of service to our Lord Jesus Christ! You do not want to miss our services when you see one close to you... you would miss God at work through us! Praise and Glory to the Most High God!

## New Photos of the Echoes!

My thanks to Steve Brown of Steve Brown Photography, for spending 3 hours with us a couple of weeks ago, taking 177 photos of the group. WOW!! Trey was complaining about his jaw hurting from smiling so much...poor guy! We had a great time and Steve did a fantastic job for us...the good news is his cameras survived the trauma of shooting this bunch..(lol) I will put a few of the photos in this newsletter for your viewing pleasure, or in case you want to chase some rodents out of the house...:o) Thanks again, Steve, for a job well-done!

## MISSION STATEMENT

*We believe that Jesus Christ, God's only son, died on the cross to pay the penalty for our sin, that He rose again and sits today at the right hand of the Father. The salvation that God provides through Jesus Christ is available for all and is essential to eternal life. Jesus Christ is the only hope that people have for living fulfilled and productive lives.*

## Still Wrestling With Our *Genesis*

For some reason, God's timing and ours isn't quite the same for the CD *Genesis*. We are ever so anxious to get it done, but want the quality to be the very best. Because of financial issues (recording cost) we are trying to be very frugal with time spent in the studio. Although we have confidence in where we are, technology is a little behind, so we have to work a little bit harder to make this the best it can be. Also, we have decided that some of the songs we're doing on that project, may not be the best for us. To make a long story short, we're still working on it. We got our first mix to listen to, but there are things we need to work out...I feel like God is going to make this project come out FANTASTIC, and right on time, according to His timing...so please be patient with us...o)

## Echoe Partners

I'm happy to report that several individuals have partnered with us in monthly support. We are looking for people to contribute \$20, \$50, \$100 or whatever they can. If everyone gives a little, it helps a lot! Don't forget we are a non-profit organization, so your donations are tax-deductible. We are FAR from the "Faithful 300" we are trusting God for, but thankful for the support we are receiving. If you have taken envelopes over the last few weeks, please don't forget us, as we depend on you to help us help others find the Lord... Who will be in heaven because of your faithfulness? Again, these funds go toward, fuel, food, recordings, promos, ads, insurance, the bus and all the things it takes to make this ministry work. Remember, the less time we must spend worrying about finances, the more time we will have to focus on "Y(our)" ministry. I know you've heard it many times, from many voices, but you can't out give God...I am praying for God to return your offerings to you 100- fold!

*Thank you again to those Faithful Few who help us out and believe in God's work through the Calvary Echoes ministry.*

*Also, we covet your prayers for the Echoes, even if you're not able to help financially, you can pray for us on a continuing basis...Thank you!*
