

## Happy St. Patrick's Day!

Sorry for the delay getting this out this month. I have been waiting so that I might be able to share some good news with you about our CD. And here it is.. It's done! Should have the copies by the weekend and packaged to go out the week of the 23rd of March. We are very excited to have the project completed and anxious to get them to those of you that pre-purchased the "Renewal" CD.

## Renewal Released!

The day has finally arrived! Our new project is complete. Saturday, March 14th, we received our first 50 CDs, just a few to get through the last weekend. We came back with only 6. We will get another 200 by this weekend and begin our mailing to those faithful supporters that have helped us thus far. Thanks to all of you who have donated funds and have pre-purchased the CD, without your faithfulness to God's ministry, the Calvary Echoes wouldn't have made it this far.

Here are the songs on this project:

# We Still Need Your Help!

Recording Funds Goal - \$4,000

We are only able to do a few CDs at a time right now, as we are still short on our goal. If you have been comparing the charts, you can see we only moved a couple percent from our last report. We are praying for a big push in April from you, friends of the Echoes. We believe you signed up for our newsletter because you care about our ministry.

We still need to get that last 22% to reach our \$4,000.00 goal. That will still leave us short of paying for everything, but closer than we are now. **So if you've been waiting, now's the time!** 75% of our goal has been reached through our pre-purchase program, so there are many out there that have for whatever reason have not yet been able to help us. We pray that God will Bless you back many times over for every dollar you're able to help us with.

This is not just the Calvary Echoe's ministry, it's yours as well. It's unfortunate that we have to ask for your financial assistance, but the ministry is also a business, and that business takes income to keep on the road. The Echoes do not receive a salary for what we do, in fact the members often donate our own money to keep the ministry going. That's how important it is to us. All monies go toward the expenses of the ministry.

Please prayerfully consider a donation. If you are unable to help us financially, pray for us, that the Lord would help us meet our needs. **Contributions may be mailed to:**

## Houston We Have A Problem

During a recent move, some of our project envelopes disappeared. This is a bad thing because we had not yet recorded those into our data base. This causes a problem for us, as some folks pre-purchased CDs and won't be getting them. We will be sending out CDs the week of the 23rd of March. What we are asking you to do to help us overcome this is to let us know **if you have not received your "Renewal" CD by the end of April** so that we can send it to you. We are extremely sorry this happened. If they happen to turn up, we will proceed with the mailing, but the belief is that a cleaning crew mistook them for trash and threw them out without consulting Dale. We want everyone to get a CD that ordered one, so please help us to straighten this out. Thank you in advance.
