

Good Day Friends!

I hope you all had a Great Easter! A wonderful time where people come out of the woodwork to go to church...Why is that? Why do folks, for some reason, come out to church when Easter and Christmas come around? Even though the rest of the year, they do their best not to drive by a church. Well I think it's the Holy Sprirt drawing people. If they don't hear anything else, they will hear about the birth of the Lord and the death and resurrection of the Lord. I hope the churches all over the country were filled with people that needed to hear that message and did. PTL!!

We Have Been Having Great Services!

The Lord has blessed us with great places to sing, and a great move of the Spirit in each service. We have been doing our best to not only plant seeds, but give opportunities for people to come to the Lord, or rededicate their lives to Him. There are many folks out there playing church. They need to know that being in church does not save them, any more than being in a garage makes them a car. God is ready for us all to begin the harvest...who will be in heaven because of you? Another question might be, who will be in hell because of you? God wants to use you. No one is too young, too old, too busy, or too anything else to do the Lord's work. Build your relationship with God, become a good son or daughter...be obedient and "step out of the boat", make yourself open to God and release your faith so He can work in you and glorify Himself through you.

God Promises

Each month I will have one of God's promises so that you can begin to memorize them and put them to use in your lives.

God Promises Every Good Thing...

No GOOD THING will he withhold from them that walk uprightly - Ps 84:11; They that seek the Lord shall not want ANY GOOD THING - Ps 34:10; If ye then, being evil, know how to give good gifts unto your children, HOW MUCH MORE shall your heavenly Father give GOOD THINGS to them that ask him - Mt 7:7-11

Newsletters Will Come More Regularly

I have been having some difficulty getting these out on a regular basis. I will do my best to get your newsletter out once a month, around the 1st of the month. I have not set a schedule for these, and that's part of my difficulty. This should help. Thanks for your patience.

New Posters!!

Our new Echoes posters are going out now. They have the current members and come in 12" x 18" so they will be easier to see. Be looking for these in your area!

Meet Andrew

Our newest member, Andrew Wells has been with us now for 6 weeks. He is singing the baritone, some tenor and lead. Like all of us, Andrew will sing what's needed for a particular song, including a solo from time to time. He has been very popular

with the congregations singing, "The Old Rugged Cross Makes The Difference". He can really shake the rafters on those power notes.

Andrew is a former professional soccer player, playing with our own Wichita

Wings and the KC Comets. He is 36 years old and single, with 3 children and one grandchild. Yes, one grandchild...:o) He was most recently a manager of 3 McDonalds stores for a local franchise. He needs our prayers as he looks for a new position, hopefully in the area.
