

## Wow...Another month already!

I can't believe another month has gone by. We really have a lot going on lately. A surgery, a recording, and lots of music with friends. Buckle up...:o)

### God Promises

Each month I will have one of God's promises so that you can begin to memorize them and put them to use in your lives.

### SAVED AND CALLED

Who hath SAVED US, and CALLED US with an holy calling, not according to our works, but according to his own purpose and grace #2 Ti 1:9; Titus 3:5; Eph 1:4-5

## Help Us Welcome Another Member to the Echoe Family

Please welcome Bill Lindsay. Bill has come on board as our Sound Engineer and Bus Driver. He has really been a great help for all of us, but especially Dale. Bill has taken on working on the bus, helping Dale clean the bus and much more. Bill's wife Tina and son Dylan have been a real blessing for

us. He and Tina even went to Oklahoma City last Thursday to get parts and helped get the bus ready to go by the weekend. Thank you guys so much for your efforts and helping to improve the sound and travel of the Echoes!

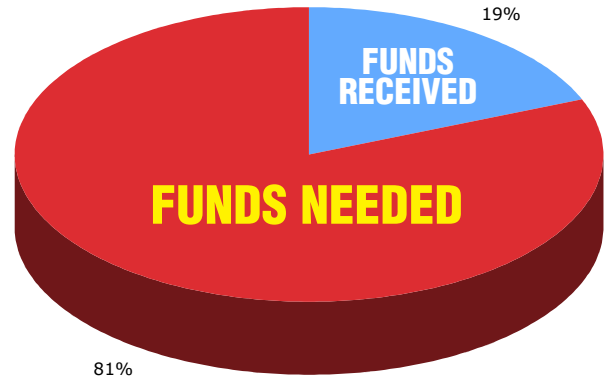

### Dale Has Gall Bladder Surgery

Two weeks ago Dale had to have his gall bladder removed. He had a rough weekend 3 weekends ago, really wasn't feeling well. After resting a couple of days, Alice took him to the Dr. and found his gall bladder was dead and needed to be removed. He asked the Dr. to wait till Monday because he had 4 concerts the upcoming weekend.. He got through the concerts and the surgery. Dale is feeling better, but may be trying to do too much too fast. Thank goodness for Bill's help with the bus. He's still singing, but keep praying for his complete recovery.

## STILL A WAYS TO GO!

Recording Funds Goal - \$4,000

Here we go folks...Friday night, September 12th, we are in studio. The first step. Thank you to those of you who have contributed so far, but we're really counting on the rest of you to come through for us...Our current number of subscribers to this newsletter is up to 409 people. We need those of you that have not responded to do so as soon as possible. You're just buying a CD, because you get a CD for your donation, *when the project is completed. So please don't delay!*

If everyone that receives this newsletter would prayerfully consider helping us achieve this goal it would be fantastic. Some are more fortunate than others may be able to help us with \$100 or more. Others may only be able to help with \$15-20. But if most could help with \$35 it would make the miracle of this project happen. We are hoping to have the funds by the middle to end of September so we can get it paid for and have the new CDs by the first week of November. Remember, if we reach our goal, all those who support us in this will have a CD in December. *Contributions may be mailed to: The Calvary Echoes / P.O. Box 781986 / Wichita, KS 67278*
