

A Weekend Off!

Last weekend we stayed home for Mother's Day! It was nice to have a weekend off as we have been on the road just about every Saturday and Sunday for quite a while. Got to catch up on some yard work and spend some time with our families. It was Great! Hope your Mother's Day was a great one for all.

Brent Who You Ask?

Brent Martin is the former Echoes baritone that is filling in with us for a while. Looking forward to singing with him. This will be his first week with the current guys. Also looking forward to Trey Downs coming on board soon. Kris will be missed..I know he'll be back some day!

Two guys planned to rob the local bank---as they were racing down a bumpy back road in a beat up car to the bank they were going to rob...the passenger said to the driver: 'Drive slower, I don't want all the dynamite in the trunk to explode.

'Relax,' the driver replied, 'even if it did, I put a spare box under the seat.'

The woodpecker has got to go!
