

Another Fun Story...

Sunday after we sang in Coffeville at the First Christian Church. Afterwards the church had a dinner for us and up to that point the day had been pretty normal..

Kris and I went out and started loading the equipment into the bus. As we did, we noticed a smell of burning plastic, or rubber...then the excitement started...Dale opened the bay which holds the generator and it was on fire. He quickly grabbed the fire extinguisher and put out the small blaze. Smoke billowed out of both sides of the bus, but he got it out. Now..no electricity, no air, no tv and a 2 hour trip to Eureka ahead...whew! Hot puppy..no windows except by the driver's window..now everyone wanted to drive...o)

Halfway to Eureka we stopped for gas. The station had no electricity, so no gas pumps. So on to Eureka and believe it or not, when we stopped for gas in Eureka, same thing..no electricity, no gas. Okay let's go on to the church.. Jefferson St. Baptist Church, and you guest it..no electricity there either..Wow! The devil really didn't want us there! We went ahead and set up, in faith the power would be back on in time. About 15 minutes prior to service time the lights came on and we went on as usual. PTL.

That is the good news.. at the moment we are still waiting to hear about the cost to repair the bus. We are praying we won't have to dig too deep in the recording funds to pay for it.

UPCOMING EVENTS

Sunday June 24 - 11:00 A.M.
First United Methodist Church

HAPPY 4TH OF JULY!

Sorry...I Missed You Again..

Hey ya'll...I got really busy last week and didn't get a chance to get the newsletter out before we left town. I try not to miss too many weeks. :o)

Going In Studio In July!

Finally the time is coming..July 5th and 6th we will be headed in studio. We will be hopefully working on two projects. One Ac-capella Hymns and the other some songs we are currently performing in services. We are really excited about getting
