

Not Again!

Yes...after spending \$850.00 to get the generator fixed, it quit again...After singing Sunday morning we went out to change so we could load the bus..no generator..o) Praise the Lord, there was a gentleman at that church that helped us get it going again...but we didn't turn it off until we got home...Dale had to take it back and get it worked on this week...hopefully we'll get that taken care of...it get's pretty hot in that old bus without air...

A Word From Joel Osteen

Serve God Alone!

Today's Scripture

"We must worship God, and him alone"
Luke 4:8 (TLB).

The Christian life promises excitement and absolute fun! But if you are straying from God's path, you may become frustrated and dismayed. Through our belief in Jesus Christ, we are privileged to see things that literally defy any explanation - except God! God keeps us on our toes, because He is too powerful and omniscient to be put in a nice little box and explained. When you worship and serve God alone, you can experience His astounding wonders. God's supernatural ways may bewilder and mystify us, but don't be afraid to simply recognize the hand of God in your midst.

In Studio Next Week!

July 5th and 6th we will be headed in studio. We will be working on two projects. One Accapella Hymns and the other some songs we are currently performing in services. Pray for us to sing well and quickly.. save some studio \$\$, and that the projects will go well.
