

## Let's Go Bowling!

Mark attended the United States Bowling Congress national tournament in Las Vegas last weekend. There were over 23,000 teams that will participate participated this year.

He celebrated his 20th year of participation by bowling his best ever in this event. One game was a 266 with 10 strikes. Sounds like he had a good time. We missed him in Iowa.

## Goodbye to Andrew

Andrew has left the Echoes to address some personal issues that unfortunately keep him from going on the road with us. As you can imagine, 135 dates per year are hard for anyone to do and keep up with everything.

We wish Andrew the very best and may the Lord grant him favor in his life and pursuits to serve our Lord.

## Introducing David Carter

The Lord has blessed us with a new tenor, David Carter, (and his wife Crystal) from Independence, Mo. David started with us around the first of May. They are considering moving to Wichita to be closer to the Calvary Echoes. Look for details on this delightful pair in the July Newsletter!

*Happy Birthday to David and Crystal...June 12th, David and the 13th for Crystal...Hope I got that right!*

## Happy Birthday Luke!

Mark's Grandson, Luke, turned 1 year old on May 29th. We wish him the very best!

Luke seems to be really getting into his birthday cake!

Grandpa probably showed him how to eat it! Ummmmm...Um...Good!

Congrats to Nick and Sarah, keep your eyes on him, he'll be in High School before you know it.

## Messy Mechanics

Bill and Dale had to change the starter on the bus the other day. I think Bill got the worst of it, certainly he got the most dirt and grease on him. He had to crawl under the bus to pull the starter and reinstall the new one. Unfortunately, the first time it didn't work, as the rebuilt starter was not rebuilt correctly, which gave the guys the opportunity to do it all over again. I was there for moral support I guess, as Bill called and said he needed my assistance. I think he just wanted a picture of himself working on the bus!
